

**HOW TO CARE FOR YOUR ORIGINAL
HANDPAINTED CLAY POT**

**ALL POTS ARE VARNISHED INSIDE AND
OUT-THIS WILL PROTECT THE DESIGN**

Pots that are kept indoors will last many years

**If putting the pots outside, keep away from
direct drippage of drain pipes**

**Put in a semi-protected area away from high
winds**

**Bring in the pots in severe winter weather, the
designs will not stand up to the extreme
weather change of our climate.**

**You should be able to enjoy these pots and
their fun designs for many years with proper
care.**
